Dear TSCA Colleagues,

I have served as your executive secretary for the last few years and previously served as president. Before that, I served on committees and as an interest group chair.

So why do I serve? Because TSCA and its members have given me so much more than I could have ever imagined. I am a better teacher, better coach, and better tournament host because of the things I have learned at convention and the connections I have made with coaches all over the state who became mentors and friends. I feel honored to give back to the organization and people who have helped me be the educator that I am.

I am ready to serve another term as your secretary and work with our state officers to start the next century of TSCA off well. There are some great ideas for how we can do this and I look forward to helping implement them.

I would appreciate your support and look forward to seeing you soon at convention.
